Note: It is ultimately the competitor's responsibility to familiarize themselves with the class requirements as well as all NHRA safety requirements. The competitor agrees they bear the ultimate responsibility when it comes to safety and how it complies with the NHRA rule books. The competitor also agrees that no one else other than the competitor is in the best position to know about how their particular race car has been constructed and how to safely operate it. Rules are subject to change due to weather or track conditions, no changes will be made without notifying participants before eliminations.
